

# Giuseppe Futia

Born in the city of Calabria in Italy, Giuseppe began his modelling journey through a friend whilst in LA. Weeks after he was scouted he was placed with 3 of the top European agencies and his career took off.

Giuseppe has a real passion for travel and so frequenting clients not only in the UK but across the globe has gone hand in hand with his career. Shooting campaigns in Cape Town to commercials on the beach, Giuseppe has enjoyed working with clients such as S. Oliver, Samsung and Diesel to name a few. He has also been featured in magazines such as: Slippage and Fucking Young - creating connections with some of the biggest names in the fashion industry.

Giuseppe's online presence reflects his passion to create connections as well as use it as a tool to highlight important issues. His instagram is a collection of snapshots into his modelling career, his travels, as well as his acting career in which he debuted last year.
