

Adhel Bol

Scouted in Nairobi, Adhel was encouraged by friends to pursue the opportunity of modelling. Fast forward to the present and Adhel is a successful full time model, having worked with a growing number of clients such as; Alexander McQueen, Net-A-Porter, Harper's Bazaar and Perfect Magazine.

Off set Adhel is working hard to pursue her education, mental health and the well-being of others, this is at the forefront of Adhel's interests.

Adhel's social media profile is a documentation and reflection of her career, her vibrant personality and love for others. With behind the scenes imagery from shoots, and of course a documentation of her life, she never fails to fill the room with laughter.
